EXPERIENCE

SettlePou's Family Wealth and Estate Planning group counsels individuals, entrepreneurs, family businesses, and various privately-held entities for their asset protection, business succession, estate planning, and probate needs. The group leverages the experience of all the attorneys in the firm to address the various issues that arise in providing comprehensive business and personal planning for our clients. We also work closely with our clients' tax advisors, financial planners, accountants, and other professionals to assist our clients in meeting their planning goals.
