

Financial Institution Litigation

FINANCIAL INSTITUTION LITIGATION

SettlePou represents financial institutions across Texas and the United States. Our experienced Litigation Section works with financial institutions, both large and small, in a wide variety of litigation matters such as:

- * Civil rights claims
- * Consumer class action defense
- * Criminal investigations
- * Customer disputes
- * Disclosure of customer information
- * Employment litigation
- * Fair Debt litigation
- * Home equity litigation
- * Injuries resulting from criminal conduct
- * Lender liability & bank fraud
- * Regulatory issues
- * RESPA Litigation

SettlePou also communicates regularly with financial institutions on daily operations and recent developments to effectively advise such clients on risk management issues that crop up in the course of the institution's varied activities.
