

LENDER LIABILITY

SettlePou has long represented banks, mortgage lenders and other financial institutions in commercial and consumer lender liability matters. We provide comprehensive representation to address all issues and challenges facing lenders when confronted with established and evolving lender liability theories. The representation includes advising clients on ways to avoid or minimize the risks of litigation and, while our lawyers participate with lenders to apply appropriate legal pressure to obtain settlements or otherwise resolve disputes in our clients' best interests, we offer a great deal of trial experience.
